

Sailing

Verse 1

I am sailing, I am sailing
Home again 'cross the sea.
I am sailing stormy waters,
To be near you
To be free.

Verse 2

I am flying, I am flying
Like a bird 'cross the sky.
I am flying passing high clouds,
To be near you
To be free.

Verse 3

We are sailing, we are sailing
Home again 'cross the sea
We are sailing stormy waters
To be near you
To be free.
